

Exhibit B

transferred to Dr. Ahmed's inmate counselor, Mr. Murray. Again, I was transferred to the wrong extension.

4. On June 18, 2014 at approximately 9:37 a.m., I again called the MDC general number and asked to be transferred to Dr. Ahmed's inmate counselor Mr. Murray. I explained that I had been transferred to the wrong extension the past two times I called asking to speak with Mr. Murray. I was told that the MDC internal directory is not up to date, and thus callers are transferred to the wrong extensions. Instead of transferring the call, an MDC employee paged Mr. Murray but received no response. I then was transferred to Mr. Murray's supervisor, Mr. Wilkins. I left a voicemail for Mr. Wilkins.

5. On June 18, 2014 at approximately 1:20 p.m., I again called the MDC general number. Since I previously was told that the MDC internal directory is out of date, I requested that Mr. Murray be paged. He did not respond. I then asked again to be transferred to Mr. Murray's supervisor, Mr. Wilkins. I received Mr. Wilkins's voicemail; however, I did not leave a message since I previously left a message earlier that day.

6. On June 18, 2014 at approximately 1:52 p.m., I again called the MDC general number. Since I previously was told that the MDC internal directory is out of date, I requested that Mr. Murray be paged. He did not respond. I then asked again to be transferred to Mr. Murray's supervisor, Mr. Wilkins. I received Mr. Wilkins's voicemail; however, I did not leave a message since I previously left a message earlier that day.

7. On June 19, 2014 at approximately 10:25 a.m., I again called the MDC general number. Since I previously was told that the MDC internal directory is out of date, I requested that Mr. Murray be paged. He did not respond. I then asked again to be transferred to Mr. Murray's

supervisor, Mr. Wilkins. I received Mr. Wilkins's voicemail; however, I did not leave a message since I already left a voicemail on June 18, 2014.

8. On June 20, 2014 at approximately 9:45 a.m., I again called the MDC general number. Since I previously was told that the MDC internal directory is out of date, I requested that Mr. Murray be paged. He did not respond. I then asked to be transferred to Mr. Murray's extension but I was transferred to the wrong extension (the extension for Mr. Jones). I was told that the extension I was transferred to was in fact Mr. Murray's extension, but that the MDC has the incorrect name and voicemail associated with his extension. I was instructed to leave a voicemail, which I did.

9. On June 20, 2014 at approximately 9:48 a.m., I again called the MDC general number and asked to be transferred to Mr. Murray's supervisor, Mr. Wilkins. I received Mr. Wilkins's voicemail. I did not leave a message since I had left a message on June 18, 2014 to which I have received no response.

I declare under penalty of perjury that the foregoing is true and correct.
